## PRESIDENTS REPORT

Janice Fendall

Hello Everyone,

I hope everyone is doing well and we're over the worst of the winter. We should be getting nicer weather and actually should be close to "spring". We held our Annual General Meeting in January and I decided to continue for another term as the CDCDA president. Thank you to the rest of the board that also decided to continue. Over the past year we met every month via Zoom and were able to keep the ball rolling for the CDCDA. We were unable to fill the position of the Dance Director. A huge thank you to Barbara for a great job she did in that position over the past several years. We are moving to a Dance Event committee format and we have a new member who will be part of this committee. Hello and welcome to Ella-Lynn. We are looking for additional dancers to join this committee. Many hands make the job easier. We were also unable to elect a vice-president. If anyone is interested in joining the CDCDA executive in any capacity, please give me a call.

What is the CDCDA planning?? So far we are welcoming a Canadian caller to call for us at a special dance as part of the Alberta Tour. Don Moger from Montreal will be in Edmonton on April 30, 2022 at the Westend Seniors Activity Centre. Be sure to have a look at the poster in the promenader or on our website. Tickets available in advance online or at the door. Our summer dances are planned for Wednesdays at WSAC and we are in the process of booking the callers. We will not be asking clubs to host a dance, as in the past, but we are asking for volunteers who will come a bit early to collect admission, setup chairs and the water. We will be following AHS guidelines that are in effect at the time.

We are also changing the timelines of the Promenader to better serve the dance community. There will be a July - October publication that will inform us of the startups of clubs in September/October. We will continue to publish it online only.

Be sure to take a look at the conventions that are happening this year. In July, the Canadian National Convention is scheduled for July 20 - 23 in Fredericton, New Brunswick. What a wonderful trip that would be!!! Closer to home is the Alberta Convention being held in Lacombe, AB, September 3,4,5. Tickets on sale now. Check out the Events on the CDCDA website.

***President Report Continued...***

We also hope to plan dance events around the city. In parks, in parking lots, on the legislature grounds, at Fort Edmonton Park, at Farmers Markets, in malls and anywhere we can show off our great dancing. Be sure to watch the bi-monthly CDCDA What's Happening email for details. If you know of a good place to show-off, let us know.

Thank you to Gary and Eileen Smith and our webmaster Tim Hydzik for doing an awesome makeover of the CDCDA website. It has a refreshed look and it is very important that the clubs keep their club pages up-to-date. People will be looking for something to do in September so be sure to enter your club startup information on your club page and remember to submit the dates for our online calendar.

If you know anyone not receiving our bi-monthly What's Happening email, contact the CDCDA office to ensure your email address is included.

Take Care. Hope to see you at a dance.

Janice Fendall

## *Let's Remember*

### JERRY HAGGITH

May 12, 1943 - December 14, 2021

*In Loving  
Memory*

On Dec 14, 2021 Jerry Haggith passed away peacefully at the age of 78 in his home. He will be lovingly remembered by Vicky, his wife of 49.463 years, children Andy and Jim (Andrée-Anne Bouchard-Desbiens), grandchildren Tristan Rosario, Theodore James and Indiana Rose as well as numerous extended family and friends.

Jerry was born and raised in Edmonton where his father worked for Swift Meats as well as at the local Drive-in theatre. As a child he would watch movies at the drive-in and enjoy the left-over French fries from the concession stand. He grew up on the family land that is now the Edmonton neighbourhoods of York, Casselman, McLeod and Miller. He would also spend lots of time at his uncle's farm which is now Kildare and Kilkenny. He loved to tell stories of how as a kid he would skate on the rink his family would clear every year where Londonderry mall currently sits.

In high school he was student union treasurer and he loved to tell the story of how he beat the future Reform party leader Preston Manning in the election for the position. He would always add as a side note that he thought Preston got his friends to vote for Jerry because he didn't really want the position.

The University of Alberta is where Jerry received his bachelor's degree in engineering and became a Structural Engineer. A career that he enjoyed for over 40 years. One of his dreams growing up was to build his own home which he was able to do.

Jerry enjoyed dancing with his wife and friends at the County Sunshiners, West End Seniors and Kensington Strollers. He also spent his time practicing Tai Chi, enjoying family camping trips in the summer, playing cards (especially bridge and whist) and watching the Edmonton hockey and football teams play.

A private celebration of life was held for Jerry.

James Lorne Stanley (Jim)

NEW

04-Dec-1929 - 30-Jan-2022

*In Loving Memory*

Jim was the youngest of ten children born to Clarence Morris New and Edith Alice Allen. His early years were spent on a small farm in what is now west Edmonton, helping to raise cows and chickens, playing hockey, learning to play the piano, and singing in the choir and serving as an altar boy at St. Paul's Anglican Church.

He met Sheila Nixon at a church Young People's event, and the two married on August 27, 1955. They had a 66 year partnership that involved raising a large family, church life, dancing, enjoying music and stage performances, building a house and embarking on countless household projects, traveling, and spending as much time as possible with family and friends.

The importance of his faith community was evident as he and Sheila grew their family. When a need for a new Anglican congregation in the Capilano neighbourhood arose, Jim was a key member in launching and helping lead services in their basement, growing the community until larger space was found and ultimately being part of the impetus to build the St. Augustine's Anglican Church building.

Jim was a dedicated employee of Imperial Oil, working as a lab technician for 37 years, highlighted by his involvement in the Valesso Social Club for employees and their families. His early retirement meant more time for family and travel with Sheila, including traveling North America to participate in square dance conventions, visiting family and seeing sights near and far. A love for summers in the Okanagan saw them purchase an RV and lot in Winfield, B.C., hosting children, grandchildren and friends every year – a source of countless memories.

For many years, Jim along with his family, taught Red Cross swimming lessons to many children across at least two generations in Sherwood Park. With Sheila, teaching others how to swim, and later, round and line dance, was an activity he particularly loved.

**Continued....**

*Continued...James Lorne Stanley*

Jim was a joyous man with much love to share. He treasured the planning of church dinners and skits, his goal always to make others laugh and ensure a good time. His years of wine making culminated in supplying wine for entire church events, not to mention every family celebration. He enjoyed giving his time to the organizations that meant the most to his life. When his children were swimming, he was an enthusiastic volunteer with the South Side Swim Club, as he and Sheila took up square dancing in their retirement, they took on leadership roles together in the Edmonton and District Square Dance Association, and numerous Seniors Groups in and around Edmonton.

Jim was a loving husband and father who gave his family every opportunity they needed to succeed in life. His love continues to live on in his wife, Sheila and in his children: Carolyn O'Brien (James), Ronald New (Hana), Jocelyn Kagel, Beverly (d.1960), Geoffrey New (Leslie), Maureen Mora (Leonard) and Christopher New (Aynsley).

His grandchildren and great grandchildren remember him as a supportive and encouraging presence who would attend activities, games, and concerts, as each grandchild's biggest fan, capturing it all with his camera (when he remembered to take the lens cap off!) He will be missed by his 16 grandchildren and 7 great grandchildren:

Sarah Campbell (Ritz) and son Huxley, Maureen Burke (Chris) and daughter Adair, Matthew O'Brien; Chantelle Haugrud and sons Davin and Hayden, Stefanie Shanahan (Devin) and daughter Sadie; Brayden Kagel (Alison), Alex Kagel; Cameron New, Aaron New and son Jack; Jacqueline New; Zachary Mora, Jonathan Mora (Megan Elliott), Madison Mora; Noah New, Sophie New, Daisy New.  
Jim's life was always centered around his family and church community, and all who knew him will always be grateful for the legacy of his joyous, fun-loving, and kind, caring spirit.

## FAYE SATHER

August 20, 1932 - November 14, 2021

*You Will Be Missed*

On November 14, 2021, Gertrude Faye Sather of Edmonton, AB passed away at the age of 89 years.

She will be lovingly missed by her five children – Terry and Leanne Sather of Sylvan Lake, Linda and Harvey Hamilton of Edmonton, Jim and Trina Sather of Hughenden, Ron and Jodi Sather of Buck Lake, and Rick and Tammy Sather of Hughenden. Also cherishing her memory are her 15 grandchildren, 11 great-grandchildren, brother Jim and Dolores Terry, sister-in-law Phyllis Terry, and loving companion, Mike.

Faye was predeceased by her parents Albert and Gertrude Terry, her husband Morris (Duke) Sather, her sisters Phyllis Manning, Sue Hawken, and her brother Bert Terry.

Faye had a wonderful positive personality, and brought so many laughs into our lives. She enjoyed many things in her life - teaching, lake life at her cabin, square dancing, cards, everything with butterflies, spending time with her grandchildren, and even tubing for her 80th birthday at Czar Lake.

A private family service will be held in her honour.

## **ABOUT DON**

Don started dancing in 1975, and began his career as a caller by teaching a group of teens to dance in the same year. When a well known caller relocated to the U.S. the following year, Don's calling workload changed from one night to five nights a week.

In 1988 a dream became a reality when Don opened the doors of a full time square dance hall. Don operated and called at the hall seven nights a week for many years. A different level was danced each night. Don calls Mainstream thru C2.

Calling engagements have taken him throughout Canada, United States, England, Germany, Denmark, Sweden, France, Austria, and the Czech Republic.

His ability to challenge and bring out the best in dancers at all levels is attested to by the zealous enthusiasm of all who attend his dances.

Happy New Year to You! Hopefully, by the time you read this, covid numbers will be down and all clubs can get back on the dancefloor. With clogging being a solo dance form we have been dancing through much of the last year. We did get shut down in early 2021 but this year has so far been a full season. We are still distancing while dancing and wearing masks when coming and going but it sure is nice to see everyone in class and to be able to socialize during breaks.

We had Christmas Parties in Dec. The Tuesday morning party was to be on Dec. 14 but due to bad weather we only had 8 dancers out. While that class had fun we held another Christmas party on Dec. 21 and had most of the dancers there. For both classes the dancers went out for lunch afterwards which is always a treat. The Thursday classes shared treats this year with everyone bringing a small plate of finger food. We all used hand sanitizer before using tongs to serve our food. We do what we can to protect each other and still enjoy life.

January is such a dark and gloomy month that we had a "Brighten Winter" week. All were asked to wear bright colours to class and boy they did. I think everyone looked amazing and certainly did brighten up January! We are hopeful that we will be able to do a group trip in 2022. We have our sights set on the CLOG National Convention that is taking place in Austin, Texas in November. That's a long ways off so maybe it will be a go. Our group has also been asked to do a demo in a senior's residence in March. That will be our first demo in over 2 years. How exciting.

Happy Dancing!

## Boyle Twilight Twirlers

We started our year of dancing on Friday evenings uncertain of how things would turn out and are thrilled that it has been very positive for us.

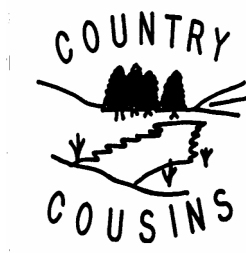

As is our tradition, our Christmas Dance admission was a donation to the local food bank.

We enjoyed a delicious meal before our dance in celebration of Valentines Day.

A couple dances had to be cancelled due to inclement weather.

We're all looking forward to when we will once again be able to go visiting and provide entertainment for our community.

## Nothing Submitted

For the most updated information contact the club  
or [www.communitydance.org](http://www.communitydance.org)

Country Sunshiners returned to the dance floor Friday night, February 4, 2022, with our regular caller, Murray Few. It was so exhilarating to connect in person with those who attended. It has been a very long time since we gathered in person. Our executive has put everything in place to start two times this dance season, but our concern for the safety of our members and our caller led us to cancel. Thankfully our hall saved our space for us until we let them know we were actually ready to start.

However, during the time we were not able to physically join each other in square dancing, we did connect with the members who were willing to log on to Zoom. Some members shared their many talents with the rest of us. Lots of singing and playing musical instruments. It did not replace square dancing but did keep us connected and looking forward to the time when we could join in person. We also kept in touch with a newsletter sent out by our Past President, Fern Zurawell, on behalf of the executive. And the executive met regularly throughout this entire pandemic. But that is the past. We are hoping for a dancing future.

Murray Few, our regular caller, reminded us that he had been away from calling as long as we had been away from dancing. He started slowly with the more basic moves, but, like Murray, the dancers found they remembered more than they thought they would. The executive thought maybe they should end the dancing a little early, but dancers voted to keep going until the regular time. We had a great night with good exercise of both body and mind and look forward to more fun square dancing nights.

The pandemic is still present and guidelines seem to change regularly. Those who attended felt relatively safe with the protocol the executive had in place. Presently we intend to continue with the same guidelines although we will re-evaluate our stance regularly and encourage members and guests to share their views with the executive. We are planning to continue our Friday night mainstream dances until April 8. All our dances are open to mainstream dancers on a drop in basis.

Since many clubs have run into roadblocks and have not started, please feel free to join us if you want to get back to square dancing. Murray is a great caller and will work with the dancers who attend to be sure everyone has a fun time and is successful.

Presently, we plan to hold our regular "Taste of Square Dancing" events sometime between May and early September. We will likely schedule three separate nights but dates have not been decided yet. If you have friends or family interested in learning to square dance, check our website for details. [CountrySunshiners.com](http://CountrySunshiners.com)

# Edmonton Singles

Hello to Everyone!

Sad to say that the Edmonton Singles have no startup plans. If September brings a comfortable condition to continue to dance we might plan some special dance dates with a variety of callers. We'll be sure to let everyone know so you can join us!! It will be a "Fill the Hall"

Be sure to keep dancing on your activity schedule

We have not resumed dancing since Covid happened. It appears unlikely we will restart this year at all. Missing all the events and fellowship though.

## ***"FUN STEPS"***

### ***CHOREOGRAPHED / CUED BALLROOM DANCE***

We hope everyone had a wonderful safe Christmas and were able to spend some time with family and friends as we did.

We have been able to continue dancing following all the safety protocols we, with Gary & Eileen Smith, developed along with the Restriction Exemption Program which the hall is operating under, and the club followed. We will continue to use all guidelines and recommendations issued by the City and the Government. There will be no snacks or coffee provided so please bring your own drink (coffee, water, tea). If you are considering joining us, please contact us before arriving.

We are dancing Wednesday evenings at Belmead Community Hall. 9109—182 Street NW Edmonton AB. 6:00 – 9:00 PM, 6:00 – 7:30PM is Phase III+ Rhythm Workshops. 7:30 – 9:00PM is Phase IV + All Rhythms. Please check our schedule at: [Dance Schedule \(communitydance.net\)](http://DanceSchedule.communitydance.net) .

We had to postpone our Beginners Classes starting Tuesday morning until February 15<sup>th</sup>, 2022, at 10:30 AM. Please feel free to contact us if you would like to join our beginners' classes.

Due to popular demand, we are continuing with our "Zoom Dances" every week, also with a different format. We will be doing one night a week, Monday from 6:00 – 9:00 PM with all Phase II, III & IV (consecutive not mixed). We have dancers from across Canada & the US joining us as well as a couple from Australia and Malaysia even though it is the next morning there. Please contact us for the zoom link if you want to join us for any part of the evening.

CDCDA is planning some Summer Choreographed Ballroom and Square Dances that we are looking forward to. Take a minute to go onto the CDCDA website, they have been updating the site recently.

Bruce & I will be leading a Phase III/IV Weekend at the Holiday Ranch the weekend of May 27, 28, 29, 2022.. We are looking forward to seeing dancing back at the Holiday Ranch. We even have some of our out of province zoom dancers looking forward to attending. For those of you who may be interested in attending the Ranch for Summer Dances (Rounds, Squares & Clogging), please check out <https://www.holidayranch.ca>. Once the weekend Dance Plans are confirmed, Kent & Lise will update their Facebook and website with the information.

We are also planning on attending the Canadian National Convention July 21, 22 & 23, 2022 in Fredericton, New Brunswick. Some of the Zoom Dancers are looking forward to attending and we hope other dancers are looking forward to attending the Convention.

Stay healthy and happy and keep on dancing.

# LUKES & LUCYS

As I write Covid hospitalization and ICU are still high. Because we haven't been able to recruit new dancers for two years, it looks like we'd be optimistic to count on more than three squares of masked, vaccinated dancers. Applications to CDCDA for subsidies for instruction and venue offer promise, as health care system begins to catch up. We will alert dancers to a trial recovery program but it is unlikely before March. Nothing prevents us from dancing into the summer IF dancers show up. Plan to vote with your feet!

After many years with the same executive, we are now certain there will be critical retirements, and new names will be a guaranteed necessity soon. Lots to think about if you want plus dancing in northeast Edmonton.

## **KENSINGTON STROLLERS ROUND DANCE CLUB (CHOREOGRAPHED BALLROOM)**

Many health experts believe it is too soon to remove the present restrictions, so we're going to wait a little while longer before we make plans to return. Watch the CDCDA website for information on dancing resuming in the future. In the meantime, keep safe.

We have been Dancing most Sundays 2-4p.m. from September onwards, however during the last month, January, we have had to cancel a couple of weeks due to poor weather conditions.(Isn't it nice to blame something other than COVID). Some of our Dancers travel for about an hour so for their safety it is

best to be cautious.

We had a great Christmas Celebration combining Plamondon and Boyle clubs together in Plamondon, after Dancing we had a Potluck and a sing song of Carols afterwards. A great time was had by ALL.

Hopefully we will continue to dance on a regular basis with our Callers Phil and Bob who always make it a fun afternoon.
